ANNUAL REPORT

2022

Empowering immigrants and their families in Central Virginia, with a focus on the Hispanic population, by educating, advocating, and supporting their needs.

Sin Barreras does wonderful and tireless work for our Latinx community; frequently support and [provide] services that [our government] should be providing to vulnerable communities in the commonwealth.

COMMUNITY IMPACT

In 2022 we celebrated the everyday accomplishments of feeling unconfined and returning to normalcy with caution and responsibility. The community returned to attending in-person events and reconnecting. Our Waynesboro office successfully concluded its first full year, and we continue learning how to best support this area. Over the summer, we proudly celebrated ten years of service with family, friends, and community members. We are grateful, and our hearts are full with all of the community support and encouragement.

We were overjoyed with the return of the Latin American Festival "C'ville Sabroso," which was put on hold for the past two years due to the pandemic. The festival provided a much-needed opportunity for people to recognize and celebrate the Latin American culture that exists right here in Central Virginia and come together in a festive atmosphere. Our accomplishments are many, and we continue this critical and satisfying work to empower our Hispanic and immigrant community, as it is essential for individuals and the community we all live in.
